

# Town of Chase Annual Newsletter

December 2016

## Message From Your Board

The finishing touches on the Stone Barn Park pavilion landscaping and parking lot light installation come to a close this year. The rental season will be in full swing next year with a "new" special 3 day rental package price offering. Check the rental availability on the town website as some dates are still available for 2017. Another "new" feature coming to all residents at the Recycle Center is single stream recycling starting January 1, 2017. This means ALL recycling can be place in the SAME container – no more sorting! The Town has become its own responsible unit and will be managing all recycling and solid waste instead of Oconto County. Advance Disposal will be the new solid waste hauler. The good news for the town is that it will save money, and for the residents it will be more efficient with the single stream process. Check out the full details of the solid waste and recycling section of the newsletter. The much anticipated opening of the sledding hill is planned for this season so watch for the opening date details on the town hall sign coming soon! Once again, we look to build and grow our town, serve all our residents, and look forward to another great year in the Town of Chase!

### Town Picnic

Come and join us at the annual fundraising picnic for the Chase Stone Barn Park starting at 3:00 p.m. on Saturday, June 10, 2017. This year the town has scheduled the Party Band and New Generations for some lively entertainment. Come take a tour of the barn to see all the restoration work that has been done first hand. Enjoy the antique engine/tractor show, karaoke, pony rides, petting zoo, raffle prizes, bake sale, booyah, burgers, and much, much more. Then end the picnic with a bang when American Traditions Fireworks puts on a spectacular fireworks show that you don't want to miss!

### Barn Quilt Tour

Join us for the second annual Oconto County Barn Quilt Rally tour in October as we again participate as one of the host barn. The Stone Barn Park will host a day full of fall fun events for the whole family to enjoy, watch for more information to come as the rally details unfold!

### Town Hall Mailing Address and New Drop Box

The official mailing address is:  
8481 County Road S, Pulaski, WI 54162

## Election Information

Wisconsin now requires a photo id to vote. In order to receive a ballot for all future elections, voters will be required to show a valid photo ID. A current Wisconsin driver's license is acceptable, and will work for most residents. For those that don't have that there are other forms of acceptable photo ID's – check out [www.bringit.wi.gov](http://www.bringit.wi.gov) for the specific or call the Clerk with any questions.

If you are not registered to vote, or have a name or address change since you last registered, you can register in person at the Clerk's office or by mail. Use the Voter Registration Form EL-131 found on the town website or Voter Information Website: <http://myvote.wi.gov> before the next election. Once the application is complete, mail it to the Clerk's office. Election day, at-the-polls registration is still available for Wisconsin voters, but it's always better to avoid lines and possible confusion by getting registered ahead of time. Be sure to bring proof of residence.

Absentee ballots are available approximately 2-3 weeks before each election. You can either cast your vote at the Clerk's office before the election or request an application for an absentee ballot by mail. Use the Application for Absentee Ballot Form EL-121 found on the town website or Voter Information Website: <http://myvote.wi.gov>. Once the application is complete, mail it to the Clerk's office.
